*Online Casino Sweepstakes To Give Lucky Player One Of The Year's Hottest Autos*

([PRWEB](#)) May 12, 2005 -- Leading online casino EnglishHarbour.com today opened the "Speed into Summer Sweepstakes" giving customers a chance to win one of this year's most popular cars by simply playing their favorite casino games. The lucky grand prize winner will drive away in their choice of a new Ford Mustang GT, the most searched for car on the Internet, or Motor Trend's 2005 Car of the Year, the Chrysler 300C.

The contest is open to both current and new customers and will run through June 30th. To enter, customers simply need to open an account if they haven't already done so and deposit a minimum of \$30. Players will earn an entry for each \$30 deposited into their EnglishHarbour.com account. To reward their VIP clientele players can double or triple their entries in a given week by depositing more than \$500.

"We're always excited to offer customers the Internet's most rewarding promotions whether it's giving exceptional bonuses or extraordinary giveaways," said Paul Sudolski, President of EnglishHarbour.com. "Our latest sweepstakes will definitely get one lucky player into the fast lane by winning their choice of the sleek Mustang GT or the refined Chrysler 300C. With our frequent contests and sweepstakes, customers quickly learn that it pays to play at EnglishHarbour.com."

Just last year a lucky EnglishHarbour.com customer from Florida won a Mini Cooper from playing at the online casino. For the "Speed into Summer Sweepstakes," the winning player may opt to choose a cash prize of equal value in lieu of a car.
