

Children's Music - Road Trips are Finally Fun Again

Just in time for summer vacation season, Quizzenkids Productions of San Diego, California has seemingly shortened travel distances and lengthened parent's patience while driving to Grandma's house.

([PRWEB](#)) May 18, 2005 -- With the first in a series of unique, interactive, educational [children's](#) cd's, Mr. Quizmee Asks About Animals stands alone as an imaginative, audio passenger ready to challenge and entertain the entire family.

With a cast of lively characters, Mr. Quizmee turns car time into "our time". While weaving [music](#) and sound effects around questions, answers and some rather unbelievable facts, everyone on onboard will learn about the animal kingdom. Kids drive time becomes pleasurable, positive and exhilarating.

Winner of a 2004 Dr. Toys Best Vacation Product, the National Parenting Center's Seal of Approval, the Film Advisory Board Award of Excellence and the Children's Music Web Awards. Mr. Quizmee has added a much needed dimension to our automobile centric society. This contemporary and entertaining CD may have you driving around the block one more time!

Mr. Quizmee Asks About Animals is the first in series from Quizzenkids Productions. National Headquarters are located in San Diego, California. Visit the interactive website for audio samples and illustrations of the characters <http://www.mrquizmee.com>.
