

Take a ride on the Wild Side with Canadian Hummer Tours at Deerhurst Resort

Hummer tours are now available at Deerhurst Resort in Muskoka, Ontario. See the Muskoka wilderness like never before.

Muskoka, ON ([PRWEB](#)) May 21, 2005 -- Deerhurst Resort is offering guests an adventurous trip down the road-less-traveled...road not always included. Canadian Hummer Adventures have arrived at Deerhurst Resort and are a great new way to experience the rugged terrain of Muskoka's wilderness and the true capabilities of the world's most capable off-road vehicle.

Sit back, hold on and revel in the journey as a Canadian Hummer Adventure driver guides the custom-designed Hummer H1, with seating for up to 11 passengers, through the seemingly impassable dense forests around the resort. You won't believe your eyes when you see the terrain ahead. The wraparound rear seat is elevated to give passengers an unobstructed view of the surroundings and there's even a detachable roof when weather permits. The tours cater to any comfort level, from the gentle sightseer, to the more adventurous adrenalin-junkie.

"Hummer tours will be a very popular addition to our already lengthy list of outdoor activities," according to Mark O'Dell, Director of Sports and Leisure Activities at Deerhurst Resort. "Our guests lead active, busy lives and this is just the kind of adventure they're seeking."

The one-hour tours begin this Victoria Day weekend with departures from the Deerhurst Resort Pavilion at 10 am, 11 am, 1 pm and 2 pm. The cost is \$50/person, \$30 for children under 12. Children requiring a car seat are not permitted.

Group sessions can also be arranged in advance and accommodate a total of 29 passengers in three separate Hummers. To lessen the impact on the environment, tours stay on designated trails and practice the low impact strategies of Tread Lightly.
