

Costa Sol Group, Inc Begins Financing Negotiations to Aquire Automotive Center

Costa Sol Group, Inc is announcing it has begun finance negotiations to aquire Automotive center "CostaSol Auto Service"

Houston, TX ([PRWEB](#)) May 25, 2005 -- Costa Sol Group has chosen to purchase the five year leading automotive shop in the Northwest part of Houston, Texas "Costa Sol Auto Service" in the attempt to begin its aquiring goals for project plans of 2005.

Costa Sol Group believes aquiring a already well established Automotive Shop location that has proven to be financial stable to maintain it's property and operation will provide the company with credibility it needs to take on future projects.

Headquartered in Houston, Texas Costa Sol Group aspires to be the leading owner, developer and operator of multiple investment projects ranging from Real Estate to leading operator of multi-unit apartment developments in 2006. Developments include the aquiring of "Costa Sol Auto Service" the purchasing and managing of up to five residential properties. Future developments include the construction of "Costa Sol Apartments" a 5-8 multi- apartment unit. This growth will be fueled with continuous innovation, focusing on exceeding client expectations and creating outstanding Real Estate developments for both parties involved.
