

Hopkins Transportation Services to Provide New Shared-Ride Shuttle Service to and from Cleveland South East Suburbs and Cleveland Hopkins International Airport

Airport Shuttle Service offers a lower price, more convenient and safer service. The fixed rate is a lower cost alternative to a taxi or private car.

Cleveland, OH ([PRWEB](#)) May 25, 2005 -- Hopkins Transportation today announces the availability of Shared-Ride Airport Shuttle Service to and from Cleveland Hopkins Airport and Cleveland's Suburbs. The convenient and reliable service allows customers to reserve a ride to and from Cleveland Hopkins Airport for a fixed fare. Riders traveling to Cleveland Hopkins International Airport simple call 1-800-543-9912 or visit www.gohopkins.com to reserve a shuttle. The shuttle service will pick riders up at their residence for a safe and secure ride to Cleveland Hopkins Airport. The Airport Shuttle will drop the passengers off at the curb at their appropriate airline. Travelers at Cleveland Hopkins International Airport simply need to go to the Hopkins Transportation Service office located in the airport on the baggage claim level next to EXIT door #5, inside the building. Shuttles will leave regularly to take riders back to their residence or other location.

"Shared-Ride service is available in most major cities in North America", said Jim Goebel, Vice President of Hopkins Transportation Services. "We are happy to offer this safe, convenient, and cost effective service to Cleveland area residents. With the high cost of gasoline and airport parking, this is a great alternative to driving."

The Shared-Ride Airport Shuttle Service starts on June 1st, 2005. Call 1-800-543-9912 or go online at www.gohopkins.com to make a reservation at least 48 hours in advance. Please allow 2 hours from pick-up time to flight departure.

No reservations are required for arriving passengers, simple go to the Hopkins Transportation Service office located at Cleveland Hopkins Airport baggage claim level next to EXIT door #5, inside the building. Regular departures from the Cleveland Hopkins Airport with a 30-minute maximum wait time.

Hopkins Transportation Service will pickup and drop off passengers in the following Greater Cleveland Cities: Bedford, Bedford Heights, Bentleyville, Brecksville, Broadview Heights, Brooklyn Heights, Garfield Heights, Glenwillow, Independence, Macedonia, Maple Heights, Northfield, Oakwood, Sagamore Hills, Seven Hills, Solon, Twinsburg, Valley View, and Walton Hills.

About Hopkins Transportation Service, Inc.

Hopkins Transportation Service, Inc. was founded by Robert and Mary Goebel and has been in the transportation industry since 1962. The only ground transportation service of its kind operating at Cleveland Hopkins International Airport with over 25 vehicles, including 11, 21, and 25 passenger capacities. In addition to share-ride airport shuttle service Hopkins Transportation offers services to and from Akron/Canton Airport and locations through out Northern Ohio. In 1980 the Goebel Family began offering motor coach (bus) transportation service and tours through Lakefront Lines, Inc. (www.lakefrontlines.com). Lakefront Lines is the largest independent motor coach operator in Ohio and has the authority to transport passengers anywhere in North America. Lakefront Lines has operations in Cleveland, Columbus, Toledo, and Cincinnati, Ohio. Hopkins Transportation Service is a member of GroundNet, the world's largest shuttle and ground transportation organization, with services in over 40 cities (www.groundnet.com).
