

## **Webway Solutions, LLC Partners with Car Care Products & Protectants (Affiliates of Flitz International)**

*Webway Solutions, a performance-based Internet marketing and content management solutions provider well-known for its "pay-for-performance" services, today announced that they are partnering with Car Care Products & Protectants an affiliate of Flitz International, makers of the high-quality metal and fiberglass restoration kits and renowned polishing and protectant products.*

([PRWEB](#)) May 25, 2005 -- Webway Solutions, LLC Public relations and Media Manager, Sarah Jimenez said, "We're excited about partnering with Car Care Products & Protectants. Through affiliations with innovative partners like Flitz International, Car Care Products & Protectants offers hard-to-find premium products and services at a not-so-premium price. In fact, Car Care Products & Protectants is downright inexpensive. Moreover, they are in tune with their customers and their market sees them as a friend, not a big company trying to push worthless products. The fact that they want to extend their offerings online is a testament to the level of dedication they have to helping people and their commitment to improving customer experiences and usability."

Bill Foxworthy, the general manager of Car Care Products & Protectants added, "I am proud to be working with Webway Solutions and I look forward to reaching new customers with products and services that until now, were virtually impossible to come by. We feel confident that Webway Solutions will help take our company to the next level of success with automated business processes and integrated Internet marketing."

By bringing together normal business functions and business automation technology, Webway Solutions can help its partners prosper on the web. Companies that partner with Webway Solutions recognize e-business effectiveness is not only the way to future business growth through efficiency and increased customer satisfaction and retention but they truly understand the importance of return-on-investment and the bottom line. Webway Solutions partners recognize the need for e-business efficiency and understand that by allowing experts to properly handle their Internet marketing and IT strategies, they can focus on what really counts, their business.

Also, Webway Solutions enables companies to automate most of the tedious time-consuming chores to help them cut through the clutter and juggle all their different roles. Webway Solutions' services and solutions are planned and implemented by experts, with some input from some of the best resources in the world.
