

## **Eco Moto Announces its New Salt Lake City Location Featuring TNG Scooters, Vento Scooters, Tidalforce Electric Bikes, & Electric Bike Conversion Kits**

*Eco Moto, A new Alternative Transportation provider announces the lease of their new store located at 248 South 1300 East, Salt Lake City, Utah. The new larger location had allowed Eco Moto to expand its product line of exciting alternative transportation vehicles.*

([PRWEB](#)) May 28, 2005 -- Jon Schlee, President of Eco Moto announced today the lease of a new location at 248 South 1300 East in Salt Lake City, Utah. The new Salt Lake City store is the first, and only Utah location to feature the revolutionary line of TidalForce High-performance electric bicycles, eGO Electric Mopeds, & Electric Bike Conversion Kits. Recently, Eco Moto added the exciting line of Vento scooters & motorcycles to compliment it's highly regarded line of TNG gas scooters.

"We have been very excited to expand from our current facility into a bigger location to better serve our customers," said Jon Schlee, President of Eco Moto. "We now have the capabilities to service & electrify multiple bikes at once, and offer general maintenance & oil changes to our gas scooter customers." Jon Schlee also mentioned that "An increase in staffing of the shop has allowed us to give a more personalized experience to all of our valued customers."

The new store is currently open from 11:00am to 6:00pm Monday thru Saturday. You can contact Eco Moto via email at: [sales@ecomoto.net](mailto:sales@ecomoto.net), Telephone: 801-583-3390, or browse & purchase online via their website at: [www.ecomoto.net](http://www.ecomoto.net).
