([PRWEB](#)) June 3, 2005 -- Get up with the Car-Top-Tent. Car-Top-Tent.Com sits high and pretty with the next generation of car, SUV and trailer tents. Designed for weekend fun or for the true outdoorsman, the Car-Top-Tent is practical and simple eliminating the hassle of finding a flat dry location or spending extensive time setting up your tent.

The car, SUV and trailer tent's most desirable appeal is its remarkable ease of portability and setup. The Car-Top-Tent virtually carries on the top of a car or trailer mounted rack system and sets up in less than 45 seconds. An adjustable ladder makes ease of entry through the mesh screen door secure and the water resistant PVC coating keeps the tent dry. The unique tent weighs only 118 pounds and is just 3½ feet wide x 6 feet long x 10 inches high when closed. When opened, the Car-Top-Tent offers a roomy 6 feet x 7 feet cushioned interior sleeping up to two adults and two children comfortably.

### **RVer's will Love the car-top-tent**

The continuing growth of the recreational vehicle industry means that the Car-Top-Tent will soon develop a host of fans who are looking for an alternative to owning big motor homes, campers, and travel trailers. Millions of RVers will soon discover that the Car-Top-Tent offers ultra-portability, ease of setup, and a very competitive entry level price point combined to deliver a relaxed outdoor travel experience.

### **A Perfect Sleep in The Middle of Nature**

Are hard uneven surfaces, and the thought of slimy snakes keeping the wife and kids away from nature? The Car-Top-Tent's elevated design and built in foam mattress breathes new life into the idea of weekend camping. Of course, the Car-Top-Tent is also well matched to the outdoorsman who is flying solo and loves all the elements of the outdoors.

### **The Car-Top-Tent is a Motor Cycle Rally Enthusiast's Dream**

One of the challenges many rally enthusiasts face is finding a convenient place of refuge at large show venues. The compact Car-Top-Tent, which can be mounted on many custom motorcycle trailers, can secure above the rider's bikes or other supplies, leaving ample room for storage, while also offering an inexpensive alternative to high priced hotels.

### **A Must for Hunters and Other Outdoorsman**

Outfitters and hunters alike will find that the Car-Top-Tent, which can be opened and closed quickly, can transform itself into a personal blind when they park at various destinations. Car-Top-Tent is soon to be available in Real Tree.

### **Add a Whole New Dimension to The Nascar Race Weekend Experience**

The Car-Top-Tent allows NASCAR fans to get in the middle of the action by camping above ground in the designated infield camping areas. Hard-core spectators will find the Car-Top-Tent, which can be set-up in less

than 45 seconds, to be a real eye catcher and crowd pleaser. In addition, motor sport owners and operators can offer a fleet of Car-Top-Tent rental units for additional revenue streams.

#### A Must for Adventure and Team Racing

Market research indicates that the Car-Top-Tent is becoming a radical vehicle enhancement for team support members involved in endurance sports. With its convenient mounting system and economic price, the Car-Top-Tent provides an affordable alternative to teams when it comes to comfort and efficient mobility.

#### The Price is Right

The Car-Top-Tent will revolutionize the outdoor travel market. Car-Top-Tent.Com challenges the industry to find a more adaptable and economic travel tent that can come close to the convenience and benefits the Car-Top-Tent offers.
