

AutoClaims Direct Continues to Exceed Expectations

AutoClaims Direct signs two new clients to their claims management software solution.

Scottsdale, AZ ([PRWEB](#)) June 8, 2005 -- AutoClaims Direct, the leading provider of independent auto damage appraisals and claims management solutions today announced the addition of two new clients. The new clients will be implementing ACD's industry leading claims business solution to manage their material damage process.

"We are thrilled about our new clients and are pleased to be able to provide a solution nobody else in the industry could," Vice President of Operations, Tara Esquivel stated. "We continue to excel over the competition by delivering a top quality unmatched product. Our advanced technology, ease of use, customizable features and ad hoc reporting are just a few of the items that set ACD well apart from the competition." Added Esquivel.

AutoClaims Direct's clients will also benefit from a plethora of claims solutions provided by ACD. These include modules such as a full nationwide auto appraisal staff, complete file auditing, a top notch desk review service from industry powerhouse United Estimatics, total loss solutions and much more.

ACD's desk review module powered by United Estimatics has saved clients this year alone over \$495,287 in addition to ACD's \$635,637 savings on standard appraisals. Esquivel points out, "When clients come to us it is because they are looking for results. We love going head to head with anyone in the industry because we deliver the goods."

AutoClaims Direct is a business service and auto appraisal firm that provides the insurance industry with a complete claims management service and auto appraisal company. AutoClaims Direct's clients are insurance companies, fleet management companies and third party administrators. AutoClaims Direct's revolutionary "DirectLink" application streamlines the claims handling process, rapidly reducing cycle times and average loss paid. The corporation handles auto appraisals, desk audits and lease returns.
