*Today the Florida based online dealership powered car buying service announced it was named one of the top 100,000 websites on the World Wide Web.*

([PRWEB](#)) June 18, 2005 -- Today the Florida based online dealership powered car buying service announced it was named one of the top 100,000 websites on the World Wide Web. On June 14, 2005, OneBigCarSale.com's Alexa web rating was just under 77,000 an increase of over 2,000 percent of its prior 1 week average. A spokesperson for the company stated the increase in traffic "was due to the success of a large marketing campaign" the company created, to create hype about its online service. OneBigCarSale.com is a part of the Delman Automotive Network, a network of newly developed car buying services serving the south eastern region of the United States.
