

ApacheBillet.com Goes Puerto Rican as OMP Cycle Gets Exclusive Contract

Orlando Rivera, owner of OPM Cycle in Fajardo Puerto Rico gets awarded exclusive contract to distribute ApacheBillet aftermarket Chrome Billet grips and bar ends for Suzuki Motorcycles.

Atlanta Georgia ([PRWEB](#)) July 10, 2005 -- ApacheBillet.com announced today that it has granted Orlando Rivera of OPM Cycle exclusive rights to distribute ApacheBillet.com products on the island of Puerto Rico. Product that currently include grips and bar ends made for Hayabusa and GSX-R Suzuki Motorcycles.

“In our first month of sales, we went through three months of projected inventory”, said Tim Lusby, CEO of Apache Billet LLC. "Orlando was one of those distributors that was instrumental in selling our product which was virtually unknown until the first of June."

"My customers are going crazy for these grips. The look and quality are going to make it hard to keep them on the shelf." Says Mr. Rivera whose shop is located in the city of Fajardo. "Hayabusa and GSX-R's are very popular on the island - I am happy to be a provider of such a beautiful product."

Designed to fit on Suzuki GSXR and Hayabusa motorcycles, the grips are manufactured from 6061-T6 aluminum and are triple chrome plated.

"We typically manufacture precision surgical products for the medical device community" says Tim Lusby, co-owner of Spinal Devices, LLC and Apache Billet, LLC "One day after a quick ride through the countryside we decided to use the same technique and materials to create custom billet aluminum after-market parts."

"We decided to offer our maiden cycle product to the Suzuki community because there was a void that needed to be filled." Says Mr. Lusby, "We will be following up this year with a complete line of billet grips for Honda and Yamaha Motorcycles also"

These products can be found at www.ApacheBillet.com - Dealer and Distributor pricing and samples are also available.
