

Predator Motor Sports in San Marcos Ca. Is Unveiling Both the H1 and H2 Durmax/Allison Conversions - Power and Long Range an Unbeatable Combo States a Local Hummer Dealer

Predator Motor Sports who has been involved in the hummer business since 1996 will be marketing converted H1 and H2 hummers in the us and overseas

([PRWEB](#)) July 8, 2005 -- Both the H1 with Durmax/Allison conversion and the H2 with the similar conversions are at the offices of Predator Motorsports in San Marcos California. The H2 will be going to the Middle East and the H1 is being built as one of the Predators SEMA show cars.

"The horse power and torque are truly unbelievable stated Ryan Wilson president and founder " we have been working on this for over a year now and we nailed it better than we had hoped for stated Mark Robinson director of marketing.

This project has served as a great R&D platform for our Predator. USA Forged wheels, Nitto Tire Company and Interco Tire Company have all played a factor in this project along with ACS and Heath Diesel.

Custom billet and Exterior parts that will be marketed through the predator distribution network and many of these have come out of this project.

Customers are looking at these Hummers as powerful long range vehicle; from South Africa to the UAE, the USA, Latin America and Russia are all markets we are being contacted by stated Ryan Wilson.

Predator motor sports who has been involved in the hummer business starting in 1996, will be marketing converted H1 and H2 hummers in the United States and overseas targeting corporate buyers government officials as well as those who demand the best of the best.
