

Formula One Stars Join With F1SiMiS

F1SiMiS are proud to announce that one of Britain's favourite racing drivers, Johnny Herbert, will be racing one of their stunningly realistic Formula One simulators over the week-end of the British Grand Prix at Silverstone.

([PRWEB](#)) July 11, 2005 -- F1SiMiS are proud to announce that one of Britain's favourite racing drivers, Johnny Herbert, will be racing one of their stunningly realistic Formula One simulators over the week-end of the British Grand Prix at Silverstone.

While Johnny is doing the driving the legendary Murray Walker will be providing one of his famous commentaries for the spectators.

Jessica Walker, General Manager of F1SiMiS, announcing this exciting event said "It's a great opportunity for those in the corporate hospitality industry to come along and see just how realistic the simulators are and meet two legends of the British motor racing industry."

The F1SiMiS are gaining a reputation both in the U.K. and abroad for their quality and are regular exhibitors at corporate hospitality events throughout the world.
