

Love to Ride? Fire Up your Motorcycle for Cancer Research in Large Breed Dogs!

Join us for the 3rd annual Kate Koogler Canine Cancer Ride on October 1, 2005.

FREDERICK, Md. ([PRWEB](#)) July 15, 2005 -- Join us for the 3rd annual Kate Koogler Canine Cancer Ride on October 1, 2005.

We will meet at Frederick Harley Davidson at 10 am. Motorcycles will leave at 11 am and travel the beautiful back roads of Frederick and Washington (MD) Counties to a delicious catered meal at DEVIL'S BACKBONE PARK near Boonsboro at the completion of the ride.

Non-riders can bring a car full and meet us at the park at 1 pm. The picnic is rain or shine. Participants pay a registration fee of \$35.00. Each participant will receive a t-shirt, dinner at the park, and a raffle ticket for a chance to win a weekend getaway. Prizes will be awarded to the three people with the most money raised in donations. Other great raffle prizes will also be awarded.

Proceeds will be split this year between AMC Animal Cancer Center and Colorado State University Animal Cancer Center. These incredible facilities provide the latest treatment and cutting edge research in the fight against bone cancer.
