

## **Superb Dodge Custom Parts Now Available at Inner Auto**

*Customizing the Colt is surely a hit for enthusiasts who want a personalized appearance for their car. Dodge Colt's interior can have that fresh air comfort in all weather conditions by customizing.*

([PRWEB](#)) July 16, 2005 -- An elegant look and exceptional appeal for your Dodge Colt come with custom parts and accessories. Customizing the Colt is surely a hit for enthusiasts who want a personalized appearance for their car. Do you want stylish protection for today's expensive headlights? Inner Auto's customized headlight cover is the answer. Each application is custom designed, ensuring a perfect fit while enhancing the clean lines of the vehicle.

Custom tailored carpeting rejuvenates a vehicle's interior while radio-wiring harness lets you add a universal radio to any system almost effortlessly. Plug your new radio directly into factory-installed wiring harness. Dodge Colt's interior can have that fresh air comfort in all weather conditions by customizing. Clean, fresh air circulates throughout the vehicle's interior, while stale air and smoke is drawn out through the window. You can also eliminate window fogging and cool parked vehicles.

Designed in a new sleek profile, these custom parts' subtle styling compliments many of today's popular compact cars. It adds stylish wings and the ultimate side window air deflector to your Colt.

These are but some of the many custom parts for Dodge Colt. For your Dodge parts needs, Inner Auto ensures that customer satisfaction is top priority. Customers receive top-quality new, OEM and aftermarket Dodge car parts at the lowest possible price delivered to your door or auto repair shop in time.
