

British Customs Announces November Deals For Triumph And Ducati Motorcycle Parts Catalogue

British Customs announces November Deals to help motorcyclists achieve a custom look with factory-spec upgrades with Weekend Projects packages.

Los Angeles, CA ([PRWEB](#)) November 23, 2016 -- [British Customs](#) just announced their November Deals with unheard of deals on a range of custom motorcycle products, helping riders build their custom dream bike themselves with instant manufacturer rebates on [Weekend Projects](#) packages up to 15% off. Through 12/2, British Customs will be offering a variety of deals on British Customs products, with discounts on products from Mule Motorcycles, Analog Motorcycles, and other select brands.

For British Customs' November Deals, motorcyclists hoping to build their own custom ride will be able to take advantage of:

- Saving \$50 for every \$250 spent
- Up to 15% off Weekend Projects
- Free shipping on all U.S. orders \$199+ for Rider's Club Members (no purchase necessary to join)
- Free shipping for new exhaust including Predator Pro, Sleeper Pro, and Performance Tip mufflers

To get the maximum benefit of these offers, riders should join the British Customs [Rider's Club](#). Beyond the November Deals offers, the British Customs Rider's Club allows motorcycle owners to keep up to date with all the latest releases from British Customs, access to pre-orders on exclusive new parts, and free shipping on domestic orders over \$199.

With the newly released [Weekend Projects](#), riders are able to completely transform their motorcycles in a single wrenching session using only common tools. Weekend Projects take the guesswork out of motorcycle customization:

- Step 1: Select a main upgrade (Like a seat, exhaust system, or turn signals)
- Step 2: Get the essentials (Eliminates the guesswork from traditionally messy projects)
- Step 3: Pick recommended add-ons (Plug 'n Play Turn Signal Kits, Relocation Brackets, and more)

Weekend Projects are upgrades packages containing everything a rider needs to fully customize any section of his or her motorcycle including, appearance, controls, driveline, handling, lighting, performance, and more.

Weekend Projects can also help riders convert their bikes into a number of [authentic retro styles](#), such as:

- Cafe racers
- Trackers
- Bobbers
- Scramblers
- Desert Sleds
- Hot Rods
- Resto-mods
- And more

To help further eliminate the hassle, British Customs created a [Resource Center](#) to act as a digital library for technical motorcycle know-how on their website. The British Customs Resource Center is home to installation instructions, how to guides, and more for a wide array of British Customs products and general motorcycle maintenance topics.

Weekend Projects are available for the Triumph Bonneville T100, Thruxton 900, Scrambler, Street Twin, Bonneville T120, Thruxton 1200 & R, and the Ducati Scrambler.

The British Customs November Deals are good while quantities last, or through December 2, 2016.

About British Customs:

British Customs is a Southern California-based lifestyle brand and designer of aftermarket motorcycle parts. They are known for making the highest quality factory-spec bolt-on parts that only require common tools and minimal technical knowledge to install. With any of their parts upgrades, the average rider can completely customize his or her motorcycle in a weekend.
