

Risk Management Executive Appointed to Fleet Defender Board.

Tulsa, Oklahoma ([PRWEB](#)) July 20, 2005 -- William C. Wilson, VP of Safety/Risk Management for Arrow Trucking, has recently been appointed to the Board of Directors of Fleet Defender Consulting Services, LLC, based in Central New York with operations throughout the United States.

Mr. Wilson is a nationally known trucking safety professional who is active on a country-wide basis with several American Trucking Associations committees. He will be bringing with him over 15 years in the transportation industry where he has been instrumental in shaping safety trends, issues and practices.

Mr. Wilson has been based out of Oklahoma since 1998. In his current capacity, Mr. Wilson is responsible for Safety, Recruiting, Human Resources, Insurance and Claims for a fleet of over 1400 drivers. He has extensive experience in Driver Training and has also managed liability, cargo, physical damage and workers' compensation and claims activities for previous trucking company employers. As author of driver handbooks and manuals, Mr. Wilson has ensured compliance with all regulatory agencies for the various organizations that he has served.

Mr. Wilson's involvement with Fleet Defender will continue a career-long engagement in development through membership and participation in several professional organizations. Fleet Defender hopes to utilize Mr. Wilson's vast experience in the transportation safety arena in its task of educating trucking companies in Homeland Security matters and reducing their exposure to terrorist tactics.
