

Are Gas Prices Burning Up Your Bank Account? What If I Could Show You A Way To Reduce Your Gas Bill By Up To 35%. Would You Be Interested?

One of the most impending problems we have today is from the rising cost of fuel. Gas prices are burning up bank accounts all across this country.

([PRWEB](#)) July 21, 2005 -- It's a fast-paced world, on and off the track. Regardless of where you are, gas prices are burning up bank accounts, cars are burning up fuel, and the environment suffers the most. In this segment of "World Business Review", hosted by Alexander Haig, Extreme Research Corporation will discuss how EnviroMax Plus can help with fuel efficiency and pollutant control. Go to this website to watch the program: <http://simplewealthplan.com/mp.cgi/RR1859/tv.html>

Dr. David Wall, Medical Director of Extreme Research, Inc, explained, "EnviroMax Plus is a gas catalyst which catalyzes the chemical reaction allowing a more efficient burn and reduces carbon deposits build up which occurs from inefficient fuel in the engine. It is a solution that can help solve the problem of environmental poisoning occurring from gas and diesel engines for ourselves and future generations".

Extreme Research, Inc has a complete line of high impact Extreme Products in addition to EnviroMax Plus and continuously search for exclusive, highly effective and marketable products from every major industry including. nutritional, automotive, cosmetic and more.
