

Premier Cycle Products Secures Distribution Rights to New, Innovative Accessory

Phoenix, Ariz. ([PRWEB](#)) December 5, 2005 -- Premier Cycle Products has secured the distribution rights to Lobster Mounts for motorcycles and ATVs -- the new, unique device used to mount accessories.

Lobster Mounts incorporate a mounting system to the handlebars (or a unique suction mount for windshields), a quick release clamping arm and head unit (either a clamping cradle or a bolt-on adaptor) to which the electronic device is secured. Manufactured by Palmetto West Trading Co., Lobster Mounts come in a variety of configurations to provide cycle and ATV riders with a flexible, easy way to mount handheld electronic equipment such as radios, GPS units, radar detectors and other devices – devices which are fast becoming standard fare among today's riders.

Premier Cycle Products, the distributor of Lobster Mounts for motorcycles and ATVs, offers these and other popular motorcycle accessories for sale to both retail and wholesale customers with a complete satisfaction guarantee. Retail customers may visit the Premiere Cycle Products Web site at www.premierecycleproducts.com or by calling 1-888 MC APPRL. Wholesale customers can contact Premier Cycle Products by calling at 1-888 MC APPRL.
