

Quickest Audi S4 Equipped with StartupRacing-Penske Suspension

At the latest SuperStreet Time Attack event Patrick Lindsey's 2001 Audi S4 placed 11th, ahead of other Audi competition.

Issaquah, WA ([PRWEB](#)) December 4, 2005 -- Patrick Lindsey drove his 2001 Audi S4 equipped with StartupRacing-Penske suspension to 11th place at the SuperStreet Time Attack event. He placed above the Stasis Engineering 2005 A4, and 2001 S4 driven by Paul Lambert.

"Patrick's ranking at this event underscores the fact that StartupRacing-Penske suspension kits are the best choice for serious Audi racers and enthusiasts," said Tomasz Wojewoda, StartupRacing's President.
