

Canadian Personal Chef Alliance Signs Deal with CAA

The Canadian Personal Chef Alliance, Canada's largest organisation of Personal Chefs, is proud to announce an agreement with the Canadian Automobile Association (CAA).

([PRWEB](#)) December 7, 2005 -- The Canadian Personal Chef Alliance, Canada's largest organisation of Personal Chefs, is proud to announce its agreement with the Canadian Automobile Association (CAA).

Under this agreement, CAA will promote the Canadian Personal Chef Alliance and the Alliance's Personal Chef Packages and other services to more than 1,000 organisations and its 3.5 million individual members Canada-wide. Also, the Alliance will be joining other national organisations such as Lens Crafters, Sunoco, and Worldwide Hotels in offering discounts to over 3.5 million CAA members. The exposure that this will to the Alliance and its membership is unprecedented.

In addition, CAA will offer Alliance members special discounts of up to 30% off all levels of their membership. This is significant for members, given how dependant we are on our cars for work and personal life. It was already a great deal – now it is even better.

Membership in CAA also entitles our members to discounts on insurance, gas, and a variety of other products and services.
