

ABM Industries Selects TrafficSchool.com to Provide Fleet Safety Course

TrafficSchool.com (www.TrafficSchool.com), the nation's leader in online traffic safety and defensive driving courses announces this month the launch of an agreement with ABM Industries, Inc to be their preferred vendor for employee driver training, by providing custom access to their Online Fleet Safety Course.

Los Angeles, CA (PRWEB) December 14, 2005 -- TrafficSchool.com (www.TrafficSchool.com), the nation's leader in online traffic safety and defensive driving courses announces this month the launch of an agreement with ABM Industries, Inc to be their preferred vendor for employee driver training, by providing custom access to their Online Fleet Safety Course.

The agreement provides ABM drivers with exclusive access to TrafficSchool.com's fleet safety curriculum while simultaneously providing ABM management with administrative tools through a co-branded website built and hosted by TrafficSchool.com.

"This arrangement affords companies like ABM Industries with an ongoing database of employees who have completed the program, while back-end administrative capabilities allow for the management of personnel records," says Masa Patterson, Fleet Safety Director of TrafficSchool.com. "We are proud to work with a company as respected as ABM Industries."

TrafficSchool.com's Online Fleet Safety Course is used by companies to effectively and efficiently train their drivers, while lowering risk and ultimately lowering operating costs.

ABM Industries Incorporated is one of the largest facility services contractors listed on the New York Stock Exchange. ABM provides janitorial, parking, engineering, security, lighting and mechanical services for thousands of commercial, industrial, institutional, and retail facilities in hundreds of cities across the United States and British Columbia, Canada.

TrafficSchool.com (www.TrafficSchool.com) has been the preferred choice for traffic school and drivers education on the Internet since 1994, providing a variety of online courses for traffic school, defensive driving, point or insurance reduction and drivers ed needs. TrafficSchool.com offers accredited and highly acclaimed drivers safety education courses for California, Florida, Texas and other U.S. drivers for dismissing a traffic ticket, obtaining a new learner's permit or driver license or receiving a discount on auto insurance. The user-friendly traffic school programs allow students of all ages to enjoy the speed and convenience of learning online, while improving skills and knowledge related to the task of safe driving.
