

SG Petch Release New Microsite for the Hyundai Tucson SUV

SG Petch Ltd, a multi-franchise dealer group in the North East of England, recently launched a new microsite dedicated to the new Hyundai Tucson SUV.

([PRWEB](#)) July 28, 2005 -- With three Hyundai dealerships in their ever expanding portfolio, SG Petch are officially the largest supplier of Hyundai cars in the North East of England and have used cutting edge technology to provide information on their whole range of cars, though dedicated internet microsites.

Recognising the importance of the internet and the needs of its customers, SG Petch have now completed the latest addition to their online business by displaying up to the minute information on Hyundai's newest Super Utility Vehicle, the Tucson.

Established in 1977 Steve Petch and his then wife Sheila leased Milford Garage at South Church, Bishop Auckland, running a petrol station and a used car site, later acquiring the freehold from the oil company; Steve had previously had experience of selling cars for Munkley Preston Garages (MPG) in Teesside.

Since then, the company has grown into a multi-franchise dealership with 7 garages and franchises for popular makes such as Fiat, Seat, Hyundai, MG Rover, Kia and Mitsubishi, as well as prestige marques like Subaru, Mazda, Daihatsu, Ssangyong and Isuzu.
