

## **2021 Buick SUV Models Available for up to 12% Below MSRP to Current Owners**

*Offer available to current eligible Buick, GMC owners financing through GM Financial*

ROSWELL, Ga. ([PRWEB](#)) June 30, 2021 -- Residents of Roswell, Georgia, and the surrounding area that are in the market for a new premium sport utility vehicle need look no further than the inventory at Carl Black Buick GMC of Roswell. The dealership specializes in new Buick and GMC vehicles, and new Buick SUV models are currently available with an excellent special offer.

All 2021 Buick SUV models, with the exception of 1SV trim levels, are available at up to 12% below the base MSRP to eligible purchasers. To be eligible, one must be the current owner of a Buick or GMC model from the 2007 model year or newer or be currently leasing such a vehicle from the 2016 model year or newer through GM Financial, for at least 30 days prior to sale of the new vehicle. Some customers may not qualify, and this offer is not available on leases, with special financing or with some other offers.

Shoppers will be able to get 2021 Buick Encore models for 12% less than the Manufacturer's Suggested Retail Price, 2021 Buick Enclave models at 11% less, 2021 Encore GX at 8% and the all-new Envision at 6%. Residents of the area that might be interested in taking advantage of this deal but aren't sure which model would be the right choice for them can find all sorts of informative model research on the dealership's website.
