

Carl Black Roswell is offering zero percent APR for well-qualified buyers

Well-qualified buyers can get zero percent APR financing on most GMC models

ROSWELL, Ga. ([PRWEB](#)) September 07, 2022 -- Carl Black Roswell is offering zero percent APR financing for well-qualified buyers who purchase a GMC model this month. Most, but not all, GMC models are eligible for this special financing rate. Drivers who may be eligible are encouraged to contact the dealership to set up an appointment.

Zero percent APR financing allows drivers to borrow money on a vehicle at no cost. This means no interest on the money they loan for a period of time. Generally, drivers who plan to finance a vehicle rather than buy it outright are recommended to look for zero percent APR. In this case, the length of contract is limited and the offer may not be available with some other offers. Retail delivery must be taken by October 3, 2022, in order to qualify for special finance rates.

Not all GMC models will be eligible with special financing rates, but most will be. Carl Black Roswell offers a huge selection of GMC models for drivers to choose from, including the GMC Acadia, GMC Canyon, GMC Sierra, GMC Terrain, GMC Yukon and GMC Yukon XL.

Drivers who are interested in this special offer or learning more about the dealership should head to the dealership's website, carlblackroswell.com. Contact information and business hours for the dealership can also be found on its website.
