*Drivers near Roswell, Georgia can find discounted oil changes at Carl Black Roswell*

ROSWELL, Ga. ([PRWEB](#)) June 07, 2022 -- Carl Black Roswell, a Buick and GMC dealership, is offering discounted oil changes to drivers in the Roswell, Georgia area. The dealership offers services for any make and model, but the service coupons apply to standard gasoline engines, not diesel. Two oil change coupons are currently available.

One coupon option gets drivers a 6-quart ACDelco GM OE dexos1 ® Full Synthetic Oil Change Package for \$59.95. The package includes an oil change and a tire rotation. The second coupon offers drivers an 8-quart ACDelco GM OE dexos1 ® Full Synthetic Oil Change Package for \$69.96. That package also comes with an oil change and tire rotation but offers more engine oil, which makes it a good deal for larger vehicles that require more oil. Another service coupon offers drivers 10% off any available service at the Carl Black Roswell service center.

All service coupons must be presented at the time of service. The discount will then be applied. Drivers can learn more about the dealership, view current special offers, print off coupons and schedule vehicle maintenance all from the Carl Black Roswell website, [carlblackroswell.com](http://carlblackroswell.com). Contact information and business hours are also available on the website, and drivers are encouraged to get in contact with any questions or concerns regarding vehicle maintenance.
