

## **Carl Black Roswell Provides Residents Research on 2022 Midsize Crossovers**

*2022 Buick Enclave, GMC Acadia model research available on Carl Black Roswell website*

ROSWELL, Ga. ([PRWEB](#)) June 28, 2021 -- Residents of Roswell, Georgia, and the surrounding area that might be in the market for a new midsize crossover can get some assistance in figuring out which one might be the right one for them. This assistance comes in the form of a pair informative model research pages recently added to the Carl Black Buick GMC of Roswell website.

The local dealership's website is packed full of information designed to alleviate some of the stress of the car-buying process, including dozens of these research pages dedicated to the many different Buick and GMC models available in the dealer's showroom. With the [2022 Buick Enclave](#) and [2022 GMC Acadia](#) on the horizon, the dealership's staff jumped at the opportunity to provide the pertinent details car shoppers need to them right away.

Each of these pages gives a bit of background on the models in question, which are both midsize crossovers from their respective brands. The pages cover any new features that the vehicles have to offer before highlighting some of the most exciting or important aspects of the vehicle. Each page grants quick access to the dealership's inventory for those models as well as an easy form for them to reach out to the Carl Black Roswell staff with any questions or to register their interest in the model.

Any residents of Roswell or the surrounding area that might be interested in one of these midsize crossovers are encouraged to head over to the dealership's website at [CarlBlackRoswell.com](http://CarlBlackRoswell.com). Specific questions can be directed to the sales team at 888-491-7859. Carl Black Buick GMC of Roswell is located at 11225 Alpharetta Hwy. in Roswell.
