*A Glendale Heights Dealership is offering the 2023 Nissan Rogue SV for sale!*

GLENDALE HEIGHTS, Ill. ([PRWEB](#)) October 21, 2022 -- Prospective buyers looking for a 2023 Nissan Rogue SV can find it at Glendale Nissan in Glendale Heights, IL. This dynamic trim of the appealing crossover provides exceptional value at a starting price of \$29,050 for the FWD models and \$30,550 for the AWD models. Meanwhile, for the 2023 model year, this SV trim offers a Midnight Edition package, which is available for an additional price of \$1,535.

Drivers interested in the Midnight Edition Package will be treated to a blacked-out appearance with striking gloss-black exterior mirror caps, a formidable gloss-black front V-Motion grille, attractive 18-inch gloss black aluminum alloy wheels, and imposing black lower front and rear fascia inserts and sharp black exterior badging.

At the heart of the 2023 Nissan Rogue SV trim is a 1.5-liter VC-Turbo engine that pushes out 201 hp and has a torque rating of 225 lb.-ft. Customers are assured of greater efficiency and improved acceleration owing to Xtronic Transmission. Additionally, the 2023 Rogue features the Nissan Safety Shield® 360, which includes Automatic Emergency Braking with Pedestrian Detection, Blind Spot Warning, Rear Cross Traffic Alert, Lane Departure Warning, High Beam Assist, and Rear Automatic Braking. Keeping shoppers always connected, the 2023 Rogue SV features a 7-inch digital meter display and an available 12.3-inch full-color display with standard Apple CarPlay® and Android Auto™.
