*Prospective Buyers in Lubbock, Texas, can get a used 2016 Kia Forte LX at Carizma Motors.*

LUBBOCK, Texas ([PRWEB](#)) October 20, 2022 -- Customers in Lubbock, Texas, can now purchase a pre-owned 2016 Kia Forte LX at Carizma Motors. This sedan is equipped with a four-cylinder engine and has a mileage of 131,907. Furthermore, the vehicle has a fuel economy rating of 26 mpg in the city and 39 mpg on highways.

The sedan has safety features such as ABS And Driveline Traction Control, Airbag Occupancy Sensor, Electronic Stability Control, Low Tire Pressure Warning, Rear Child Safety Locks and more. Other technological specifications include Keyless Entry, Electronic Brake Assistance, Steering wheel-mounted controls and two 12V DC Power Outlets.

To purchase this model, buyers can apply for an auto loan from the dealership. They are required to fill out an online form, wherein they must mention their personal information and employment history. After the form is filled out, they can send it. The dealership's finance team will develop a finance package that best suits the applicants. The dealership will try to get applicants an auto loan even if their credit situation is less than ideal.

Prospective buyers must note that since the dealership's inventory gets cleared regularly, the model may not be available by the time they read the press release.
