

Palm Springs Nissan Now Adds the New 2023 Nissan Rogue® to its Inventory

Cathedral City drivers can get their hands on the 2023 Nissan Rogue® at the Palm Springs Nissan dealership.

CATHEDRAL CITY, Calif. ([PRWEB](#)) October 12, 2022 -- Palm Springs Nissan now adds the brand-new 2023 Nissan Rogue® to its inventory and is available at a starting MSRP of \$39,260. This stylish and versatile SUV is perfect for any adventure, whether it's running errands around town or exploring the outdoors. With its sophisticated design and impressive features, the Rogue® is sure to turn heads. Interested drivers should check out the [dealership's inventory online](#) to get a feel for what models they generally have in stock.

The all-new 2023 Nissan Rogue® offers a sleek and stylish design, a wealth of advanced technology features and a refined and comfortable interior. This SUV's V-Motion grille and LED headlights convey a look of confidence, while available 19-inch aluminum-alloy wheels add to its road presence. Nissan designers also gave the model's rear end a sporty makeover with a new bumper and tailgate design and LED taillights. With its spacious cargo area and versatile seating configuration, the Rogue® is perfect for everyday driving or long road trips. And with the standard Nissan Safety Shield® 360, the Rogue® provides peace of mind wherever you go.

Interested customers are encouraged to visit the dealership for the availability of the 2023 Nissan Rogue® trim levels and exterior colors. Individuals can also visit the dealership at 68-177 Kyle Road, Cathedral City, CA or contact them by phone at 760-328-2800.
