

Some Serve God From Within the Walls Of A Church – Some From Without

Xulon Press presents a personal testimony that smells like leather.

ATASCADERO, Calif. ([PRWEB](#)) October 13, 2022 -- Author Lou Steel shares the story of how he came to Christ and seeks to draw others from the seat of a Harley in [Last Disciple](#) (\$16.99, paperback, 9781662859427; \$7.99, e-book, 9781662859434).

Missionaries take many shapes and reach all corners of the earth. Steel's corner is the streets traveled by motorcycle clubs across the country (and beyond), and while trying to reach these hardened souls for Christ he has encountered spiritual attacks, miraculous events and answered prayers.

“This book will strengthen you, bless you and change your outlook on life. In these last days we are all ‘Last Disciples’ as we continue to follow Jesus Christ and His plans for us,” said Steel.

Lou Steel is a co-founder and national board member of the Last Disciples MC, a Christian 501(c)(3) whose difficult mission has been to take the Gospel to the hardcore outlaw motorcycle clubs in the U.S. and Australia. Born in California, he attended high school in Italy before returning to attend Cuesta College and Cal Poly. Steel has devoted the past 25 years to his consulting business and ministry.
