

## **Customers near Wolfforth, Texas, Can Now Get Oil Change Services at Matador Motors**

*Vehicle owners near the Wolfforth, Texas area can get an oil change service at Matador Motors.*

WOLFFORTH, Texas ([PRWEB](#)) October 06, 2022 -- Regular engine oil changes are crucial to keep a vehicle running smoothly and efficiently. Although the oil protects the engine, it gets contaminated with dirt and debris over time. Therefore, drivers should get the oil changed every 5,000 to 7,000 miles. Vehicle owners looking for an oil change service can visit Matador Motors, an automotive dealership in Wolfforth, Texas. The dealership has a team of skilled technicians working on all kinds of makes and models in their state-of-the-art service department.

In addition to an oil change service, drivers can take advantage of the following services offered at the dealership:

- Tire rotation
- Filter replacement
- Tire balance
- Electrical service
- Transmission flush
- Vehicle inspection
- Front end alignment
- And much more!

Individuals interested in getting their vehicles serviced from Matador Motors in Wolfforth, Texas, can [schedule a service appointment online](#). Alternatively, customers can contact the dealership's service team at 806-833-7300 to learn more about their services.

Along with maintenance services and repairs, the dealership has a range of pre-owned vehicles in stock. From sedans and trucks to SUVs and vans, the dealership has various options for all kinds of drivers. Moreover, the dealership lets prospective buyers [test-drive the vehicles](#) available on their lot.

Interested parties can visit Matador Motors at 214 E Highway 62/82 in Wolfforth, Texas, to explore their extensive inventory. Customers can also check out the dealership's inventory online on their official website - [www.matadormotors.com](http://www.matadormotors.com) from the comfort of their homes.
