WEST PALM BEACH, Fla. ([PRWEB](#)) October 03, 2022 -- Hurricane Ian has left Floridians in an emergency state, some having lost their homes or cars in devastating floods. Off Lease Only, one of the leading used car dealerships in Florida, is taking a stand and setting up a “Hurricane Help” program to support the victims who need to buy a car now.

The program includes a \$250 or \$500 cash back (issued as a check) for every purchase of a vehicle at one of the five Off Lease Only locations in Florida. To get this offer, buying customers must show proof of an insurance claim of damage caused by the hurricane.

“We have been operating for more than 18 years in Florida and we pride ourselves for having served more than 350,000 customers,” says Lee Wilson, CEO of Off Lease Only. “As an active member of the communities we operate in, we want to support our customers who are affected by the hurricane and need some cash to cover some repairs. Some of them will need a car, while having expenses, and we want to help”.

With an inventory of more than 3400 vehicles competitively priced, Off Lease Only intends to run the “Hurricane Help” program until October 15th, 2022, at all five Florida locations.
