

Hall Volkswagen Now Adds the 2023 Volkswagen Tiguan to its Showroom

Customers who wish to buy the latest 2023 Volkswagen Tiguan can do so at the Hall Volkswagen dealership.

BROOKFIELD, Wis. ([PRWEB](#)) January 24, 2023 -- Volkswagen's newest SUV model, the 2023 Volkswagen Tiguan, is now available at Hall Volkswagen. The Tiguan is a versatile and stylish SUV that's perfect for families or anyone who needs a little extra space. This completely redesigned SUV features a spacious interior, advanced safety features and a host of other improvements.

The 2023 Volkswagen Tiguan comes standard with a 2.0L turbocharged engine that produces a power rating of 221 hp. It also features an 8-speed automatic transmission and all-wheel drive, making it perfect for any weather or terrain. Its interior is designed with comfort and convenience in mind. The spacious cabin offers plenty of room for passengers to stretch out and the adjustable seating positions provide ample legroom. To add even more luxury amenities, optional features include heated front seats, ambient lighting, a panoramic sunroof and a 9-inch touchscreen display with Apple CarPlay®/Android Auto™ integration. Safety is always a top priority for Volkswagen, and the Tiguan comes standard with a suite of advanced safety features. These include Front Assist with Pedestrian Monitoring, Blind Spot Monitor with Rear Traffic Alert, Adaptive Cruise Control and more.

Potential customers can browse the dealership's website: <https://www.hallvw.com/> or reach them by phone at 262-782-5300 to schedule a test drive online. They can also drop by at 19809 West Bluemound Road, Brookfield, WI 53045, to peruse the wide selection of the 2023 Volkswagen Tiguan trims in person.
