

Drivers Can Now Buy the 2023 Volkswagen Taos 1.5T SE in Brookfield, Wisconsin

Customers in Brookfield, Wisconsin, can purchase the 2023 Volkswagen Taos 1.5T SE at Hall Volkswagen.

BROOKFIELD, Wis. ([PRWEB](#)) October 31, 2022 -- Prospective SUV buyers in Brookfield, Wisconsin, can get their hands on the 2023 Volkswagen Taos 1.5T SE at Hall Volkswagen. The vehicle is powered by a 1.5-liter turbocharged four-cylinder engine with a mileage rating of 25 mpg in the city and 32 mpg on highways. Furthermore, the SUV comes with additional features such as-

Braking Assist

Radio Data System

6 Speakers

Audio Voice Recognition

Blind Spot Sensor

Cross Traffic Alert Rear

Adaptive Cruise Control

Multi-Function Display

Multi-function Remote Keyless Entry with Panic Alarm

Anti-Theft Alarm System

Rear View Camera

Stability Control

Traction Control

Remote Engine Start and more.

The SUV has a starting price of \$33,158. Buyers can apply for an auto loan on the dealership's website to purchase this vehicle. They are required to fill out an online application form, mentioning their personal information and employment history and submit it. The dealership's finance team will work with banks and other financial institutions to develop a loan package that best suits the applicants. Moreover, prospective buyers can also trade in their old vehicle and use the value obtained to buy a new Volkswagen model.

All interested parties are requested to visit <https://www.hallvw.com/> or call 262-782-5300 for more information. They can also visit the dealership at 19809 West Bluemound Road, Brookfield, WI 53045.
