MSD Ignition System for 2011 TNT Super Series Champion

Ignition box, coil and wires to series champ!

CANFIELD, ONTARIO (March 3, 2011) The yearend prize package for the overall points champion in the 2011 Joe's Transmission TNT Super Series (TNTSS) just got better.

Autotronic Controls Corp (MSD) will provide an MSD digital ignition system for the year-end champion. That includes a new digital 6AL ignition box, a Blaster SS Coil and a set of 8.5mm Super Conductor Wires.

"We're very pleased to be working with MSD," said Ted Barnes, TNTSS Director. "Their ignition products are extremely reliable and that's what every racer in the TNTSS needs to win."

Todd Ryden , Director of Marketing at Autotronic Controls says MSD Ignition is excited to be involved in the TNT Super Series for 2011. "MSD is used on the quickest and fastest race cars in drag racing and the TNT series delivers great heads up racing action. For 2011, MSD is introducing the next generation of programmable ignition systems, the Power Grid, with increased spark power and total programming control over an engine's timing and rpm. We're looking forward to a great racing season!"

About the TNT Super Series (TNTSS):

Since it began in 2006, the TNT Super Series has grown into one of the strongest, most competitive sportsman drag racing series in North America and has catapulted many competitors to success on the national and divisional stage.

The TNTSS is a self-governing organization with input from its teams. Based on NHRA's Super Street & IHRA's Hot Rod classes, competitors run on a 10.90 index in the 1/4 mile (7.00 in the 1/8 mile) and race for a guaranteed purse that pays back more than 100% of the racer's entry fees. The yearend Series Champion receives a prize package worth over \$3500.00.

The TNTSS is committed to providing the highest level of competition backed by solid media support to showcase its participants across North America. Events are contested at various drag racing facilities in southern Ontario and western New York and put on a spectacular show for the drag racing fan.
