Ms. Alice Maroni
Acting Director
Pension Benefit Guaranty Corporation
1200 K Street, N.W.
Washington, DC 20005

Dear Acting Director Maroni:

We are writing to request an update on the status of the Pension Benefit Guaranty Corporation's (PBGC) efforts to complete final benefit determinations for plan participants in the Delphi Retirement Program for Salaried Employees (the Salaried plan).

As you may know, on June 25, 2014, we requested that the PBGC Office of Inspector General review your agency's extreme delay in completing final benefit determinations for these retirees. In response to our request, the Inspector General obtained information from PBGC and provided us with the results of their inquiry on September 2, 2014.

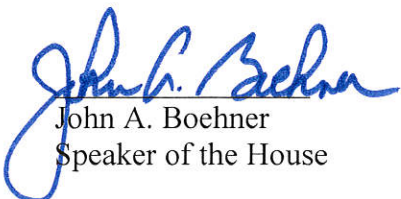

In the course of responding to this inquiry, you informed the Inspector General that the following documents related to the Salaried Plan would be completed according to the following schedule:

Recovery Valuation and Allocation Memo	October 31, 2014
Plan Asset Audit	February 2015
Actuarial Case Memo	August 31, 2015
Actuarial Case Report	August 31, 2015

We remain concerned that your delays in completing these final benefit determinations will continue to impose unnecessary hardship on these retirees. As such, please provide us with the following within ten days: (1) an update on the completion status of each document; (2) a copy of each completed document; and (3) an explanation for any delay to the schedule you provided, along with your new anticipated schedule for completion.

Thank you for your timely attention to this matter, and please do not hesitate to contact us if we may be of any assistance.

Sincerely,

John A. Boehner
