## **"Summer Plastic Meltdown"**

Announcing the 2<sup>nd</sup> annual Summer Plastic Meltdown show in Crystal Lake, Illinois. This show is being brought to you by the same folks that hosted the Northern Illinois Modelers Open (NIMO). Attached you will find our show flyer and a detailed announcement of our show. Would you please circulate this information to your club members and friends, or better yet please add these documents to your newsletter.

Our show date is Sunday August 20<sup>th</sup> 2006, 9:30Am to 3:00PM. For you out-of-towners, there are lots of local accommodations from a Holiday Inn to Days Inn. Admission to the show is a measly \$5.00 and you can put down as many models as you like...and as an added bonus we will be serving a pizza lunch to all show entrants.

Did I mention there will also be a swap meet? We are offering our famous "Trunk Sale" in our parking lot. Sell or swap out of the trunk of your car...**for free**...rain or shine.

There will be a limited number of inside vendor tables available, first come first served basis (contact Steve for more information).

Come and join the fun...hope to see you at the **Meltdown!**
