Traffic Alert
I-25 Missouri
Las Cruces, New Mexico

Las Cruces, NM: The New Mexico Department of Transportation (NMDOT) will be performing maintenance bridge repair work along a portion of I-25 within Las Cruces. The NMDOT will be working during the weekend to minimize the amount of traffic impacted due to lane and speed restriction.

The NMDOT will place lane closures on I-25 between mile markers 3-2, which will affect the southbound traffic with a 12 foot width restriction in place while work is being performed. Additional lane closures and speed reductions will be on Missouri Avenue between South Triviz Drive and S. Don Roser Drive. The restrictions will start on Saturday, July 14, 2012-Sunday July 15, 2012 from 7:00 a.m. to 6:00 p.m.

This closure will allow the maintenance crew to work in a safe environment while securing the safety of the traveling public. Detours will be placed throughout the construction work zone with law enforcement present.

Updates on road projects and traffic alerts will be posted on the department's web site www.NMroads.com, and by calling 511 in New Mexico or 1-800-432-4269 from any line.

For more information regarding this work you may contact Bridget Spedalieri, NMDOT District One Public Information Officer or Elissia Gonzalez at (575) 525-7340.
