Press Release

Paseo Del Norte/I-25 Interchange Project Nighttime Interstate Closures

Santa Fe – Nighttime work on the Paseo Del Norte/I-25 Interchange will result in the closure of a portion of Interstate 25 for the next two nights.

A full closure of southbound I-25 at Paseo Del Norte will occur tonight and Friday night from 9 p.m.-5 a.m. This will allow crews to remove the outside girder on the Paseo Del Norte Bridge over southbound I-25. This particular girder had been hit and damaged from an oversize load traveling southbound on I-25 in the past, and the project is replacing the girder. In order to do so, the portion of the deck that is supported by the girder must also be replaced. The closure of southbound I-25 is necessary to maintain driver safety.

Tonight, traffic will exit at Paseo Del Norte and re-enter at I-25 and Paseo Del Norte. On Friday night, traffic will exit at Paseo Del Norte and re-enter at San Antonio for the removal of the cantilever structures.

Construction on the Project is subject to change without notice and weather permitting.

You can get real-time information on the Project at www.paseoi25.com where you can also sign up for text or email updates.

Anyone with questions or comments about the Project can call our hotline at 505-245-3150. It is staffed during regular business hours and has recorded information on construction impacts and emergency contact information during evenings and weekends.
