## **PUBLIC INVOLVEMENT MEETING**

I-10/Avenida de Mesilla  
*Las Cruces, NM*

**Las Cruces, NM:** The New Mexico Department of Transportation (NMDOT) with La Calerita Construction will be holding a Public Meeting to discuss project specifications, schedule of operations and other pertinent items related to the upcoming project at I-10 and Avenida de Mesilla.

The project will consist of replacing the steel girder bridges with a concrete bridge with full height abutments, precast concrete deck panels and artwork featuring a local southwest theme. The ramps will be reconfigured to a diamond interchange with the removal of the existing loop ramps, which will provide a longer acceleration lane on I-10. In addition, there will be signalization installed at Avenida de Mesilla and the eastbound entrance and exit ramps. The project will incorporate ADA improvements to Avenida de Mesilla from Hickory Loop to Lakeside Drive, which includes utility upgrades to the gas; sewer, water lines, and landscape planting.

**When:**

July 10, 2013  
6:00 p.m. – 8:00 p.m.

**Location:**

NMDOT - Las Cruces Complex  
750 N. Solano  
Las Cruces, NM 88005
