**FOR IMMEDIATE RELEASE – August 23, 2013**

**ALBUQUERQUE**—While actual construction of the Paseo Del Norte/I-25 Interchange Reconstruction project will not begin in the construction zone until the week after the 2013 Albuquerque International Balloon Fiesta, preliminary activities start next week.

The team of Kiewit New Mexico/Bohannon Huston Inc./Terracon will begin surveying I-25 at the Paseo Del Norte bridge and will also begin geotechnical boring to determine soil composition at various locations throughout the Project area.

The geotechnical work will not have any traffic impacts, but survey crews will be working in the shoulders on both northbound I-25 and southbound I-25 from 7 a.m.-5 p.m. Thursday, Aug. 28 and Friday, Aug. 29 at the Paseo Del Norte bridge. All lanes of traffic will remain open.

Individuals can sign up for free email or text alerts by visiting the Project website, [www.paseoi25.com](http://www.paseoi25.com) or can call **(505) 245-3150** for additional information.
