Traffic Advisory

**I-40 Moriarty West Interchange (Exit 194)
Bridge Improvement Work**

Moriarty—The New Mexico Department of Transportation (NMDOT) will begin bridge rehabilitation work at the west interchange in Moriarty on Monday, October 6, 2014.

On October 6, the bridge at the west interchange in Moriarty over I-40 at mile marker 194 will be CLOSED, from 6:00 a.m. to 7:00 p.m. The I-40 Westbound off-ramp will be CLOSED from 6:00 a.m. to 7:00 p.m., and the I-40 Westbound on-ramp will be CLOSED from 9:00 a.m. to 7:00 p.m. The closure of both ramps will remain in effect until 7:00 PM.

Motorists are advised to use the NM 41 interchange (I-40 exit 196) to access I-40 and Main Street in Moriarty.

The closure will be necessary to apply an epoxy overlay on the bridge and to paint the bridge barrier railing.

The Federal Highway Administration and NMDOT have partnered to fund the improvements. Mountain States Constructors of Albuquerque is the contractor for this project.

Drivers are urged to proceed with caution through the work zone, observe traffic control signs and reduce speed to the posted limit. Updates on this project will be posted on the New Mexico Department of Transportation's road advisory website www.nmroads.com
