About the Joe's Transmission TNT Super Series (TNTSS):

Since it began in 2006, the TNT Super Series has grown into one of the strongest, most competitive sportsman drag racing series in North America and has catapulted many competitors to success on the national and divisional stages.

The TNTSS is a self-governing organization with input from its teams. Based on NHRA's Super Street & IHRA's Hot Rod classes, competitors run on a 10.90 index in the 1/4 mile (7.00 in the 1/8 mile) and race for a guaranteed purse that pays back more than 100% of the racer's entry fees. The yearend points fund provides cash & prizes to the top eight finishers and the Series Champion receives a prize package worth over \$4000.00.

The TNTSS is committed to providing the highest level of competition backed by solid media support to showcase its participants across North America. Events are contested at various drag racing facilities in southern Ontario and western New York and put on a spectacular show for the drag racing fan.
