

**FOR IMMEDIATE RELEASE**

## **TNT Super Series to present remaining 2015 junior dragster events at Lancaster Dragway**

**LANCASTER, NEW YORK (August 2, 2015)** The Joe's Transmission TNT Super Series has just announced it will be presenting the final five races in the K100/Bauer Racing Junior Dragster Series at Lancaster Dragway. The series, which runs every Tuesday during the summer months, has five regular races left in the 2015 season.

Sharon Hughes, Lancaster's Drag Program and Race Director has coordinated the Junior Dragster Program at the 1/8th mile facility for 21 years now. "I couldn't be more pleased with the help from K100/Bauer Racing, Scott Jahren Paint and now Joe's Transmission TNT Super Series. These racers have gone on to be track Champions in many classes including Street, Pro, and Quick 16."

Jacob Halleen and Zac Vitez are currently tied for the points lead with 265 points each. Jacob has won two of the five races completed this season. "We have lost three races to rain. Here's hoping for a strong finish!" added Hughes.

"These drivers are the next generation of our sport," commented Joe Boniferro of Joe's Transmission. "It only makes sense to try and build their talent so they can move to the next level."

Gates open at 4pm on Tuesday with time trials at 5pm. Visit [www.lancasternationalspeedway.com](http://www.lancasternationalspeedway.com) to learn more.

**About the Joe's Transmission TNT Super Series (TNTSS):**

Since it began in 2006, the TNT Super Series has grown into one of the strongest, most competitive sportsman drag racing series in North America and has catapulted many competitors to success on the national and divisional stages.

The TNTSS is a self-governing organization with input from its teams. Based on NHRA's Super Street & IHRA's Hot Rod classes, competitors run on a 10.90 index in the 1/4 mile (7.00 in the 1/8 mile) and race for a guaranteed purse that pays back more than 100% of the racer's entry fees. The yearend points fund provides cash & prizes to the top eight finishers and the Series Champion receives a prize package worth over \$4000.00.

The TNTSS is committed to providing the highest level of competition backed by solid media support to showcase its participants across North America. Events are contested at various drag racing facilities in southern Ontario and western New York and put on a spectacular show for the drag racing fan.

**About Joe's Transmission**

Joe Boniferro has owned and operated Joe's Transmission Service in Niagara Falls, Ontario since 1984. From the original single bay location, the business has progressed to a six bay, five employee automotive complex on Arthur Street. The two storey building houses Joe's Transmission (Commercial, Fleet and Performance Divisions) and Al's Radiator Service. They sell and install aftermarket high performance parts and accessories. As a Firestone Dealer they sell and install drag racing tires. Their specialty is building and repairing high performance transmissions. Contact Joe and his team at (905) 374-6116 or visit them online at [www.joestransmission.com](http://www.joestransmission.com) .
