

AutoClaims Direct Appraisals Kicks Off 2006

ACD appraisals kicks off 2006 with full nationwide coverage along with additional auditing staff.

Scottsdale, AZ ([PRWEB](#)) January 4, 2006 -- AutoClaims Direct Inc, the nation's leading independent auto damage appraisal firm today announced the corporation's 2006 New Year's kick off. ACD recently added coverage availability in all fifty states, four new corporate account managers and a growth rate of over 116% compared to 2004.

President Ernie Bray stated, " 2005 was an outstanding year for AutoClaims Direct. Our cutting edge claims management software and top notch appraisal firm continues to blaze new paths in the independent auto damage appraisal industry. Our cycle time is the fastest compared to any firm nationwide. Our claims management system is easy to use and our account managers provide unmatched customer service.

AutoClaims Direct has slashed client cycle times by over half with many experiencing a 75% reduction overall. " ACD is a results oriented organization." added Bray. " We provide real and measurable results that translate into true savings to our clients. Our fast, accurate work product is meshed with compassion and understanding. Any client would be proud to have our team working for them."

AutoClaims Direct is poised to make even bolder steps in 2006. The corporation will add additional software upgrades, full estimate translation capabilities, and open two new field offices.

AutoClaims Direct is a business service and auto appraisal firm that provides the insurance industry with a complete claims management service and auto appraisal company. AutoClaims Direct's clients are insurance companies, fleet management companies and third party administrators. AutoClaims Direct's revolutionary "DirectLink/AutoClaims Tracker" application streamlines the claims handling process, rapidly reducing cycle times and average loss paid. The corporation handles auto appraisals, desk audits and lease returns.
