

Military AutoSource Hosts ‘Fly a Friend’ Airline Ticket Giveaway for Military Overseas

U.S. Military Members stationed in the Far East have one week left to enter for the chance to win an airline voucher to fly a friend or family member to visit.

WOODBURY, NY ([PRWEB](#)) February 23, 2016 -- From now until March 1, 2016, military members stationed or deployed in the Far East (Pacific Rim) region can enter the Military AutoSource “Fly a Friend” giveaway, sponsored by Nissan. The winner of the giveaway will receive a Delta airline voucher, valued at \$2,500, to fly a friend or family member of their choosing to visit. Eligible military members can enter for their chance to win by visiting www.militaryautosource.com/flyafriend.

The “Fly a Friend” giveaway aims to give overseas military members something they rarely get, the opportunity to see a hometown friend or family member during their deployment. Military AutoSource is excited to work with Nissan to give one lucky service member the chance to fly a friend to visit them at their duty station. “Fly a Friend” is one of many sweepstakes and contests that Military AutoSource hosts throughout the year to give back to the military community they serve.

“It is not only a corporate but a moral and humbling responsibility to give back to those who secure our safety and freedom.” Said James Krulder, Director at Military AutoSource. “We’re excited to give one lucky service member a great experience being able to fly a friend to visit them overseas.”

Military AutoSource’s “Fly a Friend” giveaway was created in celebration of the launch of the all-new, fighter-jet-inspired, 2016 Nissan Maxima. The designers at Nissan sought inspiration in the cockpit design of a jet after a visit with the U.S. Navy’s Blue Angels ®. The fighter-jet style is apparent in the floating roof and deeply sculpted character lines in the design of the Maxima.

To qualify for a chance to win, you must be a member of the U.S. Military or civilian component (DOD or government contractor) on active duty, or member of the diplomatic community. For full “Fly a Friend” details and official giveaway rules, visit: www.militaryautosource.com/flyafriend.
