

New Summit Racing Equipment Professional Tool Chests and Cabinets Now Available

Summit Racing's new Professional Tool Cabinets and Chests will protect hand and air tools from damage--and keep them from growing legs and walking out of the garage.

Tallmadge, OH ([PRWEB](#)) March 10, 2016 -- [Summit Racing Professional Tool Cabinets and Chests](#) will protect hand and air tools from damage--and keep them from growing legs and walking out of the garage.

Summit Racing's tool chests and cabinets have professional features like double wall steel construction, black powdercoat finish, ball bearing drawer glides, full length aluminum handles, and premium locking hardware. The tool chests feature a top compartment with gas charged struts and heavy-duty side handles. There are even slip-proof mats in each drawer.

The tool cabinets are available in three, seven, and nine-drawer versions. The tool chests are available in seven-, nine-, and 12-drawer models. The chests have large capacity bottom drawers for bulky tools and are fitted with two swivel and two fixed casters.

Home garage and shop owners can buy the chests and cabinets separately or in these Professional Tool Chest and Cabinet Combos

- Three- and nine-drawer chests, seven-drawer cabinet
- Nine-drawer chest and seven-drawer cabinet
- Seven-drawer chest and nine-drawer cabinet
