"The Garavel team tries to appreciate our customers by providing relentlessly friendly and impressively proficient customer service. We feel that DealerRater's customer feedback validates the work we do. We've rededicated ourselves to customers in the past few years and we do it better than anyone in Connecticut" stated Paul Garavel, Owner and General Manager. "Without our customers we wouldn't be here. We work hard to make sure that everyone who works for Garavel takes that to heart - it's because of their hard work that we have won this accolade."

The Dealer of the Year Awards program was created to recognize automotive dealerships whose sales and service operations exemplify excellence. The exclusive award is given to U.S.-based dealerships for being the top-rated dealership within their OEM brand nationwide and the highest scoring dealers in each state, and is awarded to only a handful of dealers.

Dealer of the Year Award winners were chosen based upon their PowerScore™ ratings, which are determined using a Bayesian algorithm that factors the dealership's average DealerRater consumer ratings and the total number of reviews written about the dealership during the 2015 calendar year.

Garavel has been building on their success year after year by besting all other Chrysler Jeep Dodge Ram dealerships in the state and selling the most cars.

DealerRater features more than two million dealer reviews, which are read by more than 14 million car shoppers every year.
