

## **Ernest McCarty Ford Proudly Announces Employment Milestones**

*Ernest McCarty Ford is proud to announce employment milestones for 2016. A number of staff members were recently recognized for their outstanding commitment not only to Ernest McCarty Ford but also to their clients.*

Alabaster, Alabama ([PRWEB](#)) July 01, 2016 -- Car dealership Ernest McCarty Ford is proud to recognize several outstanding employment milestones for 2016. On Monday, May 30, the company announced the new milestones at their annual Memorial Day picnic.

Six of the Ford dealership's [employees](#) were recognized for their years of continued service and dedication to customer service. Marty Tilley, a service advisor, has been with the company for 20 years. Salesperson Jeff Richardson and Sales Manager Nick Farnham both celebrated ten years of service to Ernest McCarty Ford. Three service technicians, Donnie Bulford, Nathan Caputo and Terence Chappell, were also recognized for ten years of service.

"We are excited to announce these most recent employee achievements," said Manager Chris Williamson. The long tenures of these employees are a positive affirmation of the company's success. Happy employees mean happy customers, which equates to a healthy business."

[Ernest McCarty Ford](#) has been in business since 1983, and it is still Shelby County's only Ford dealership. The dealership has demonstrated a deep commitment to both employee and customer satisfaction. With a total of 75 employees, three have with the company for more than 30 years, and six other employees have worked for the dealership for more than 20 years.

Ernest McCarty Ford is proud of long-term commitments from employees and regularly recognizes outstanding service and career milestones. In total, nine employees have at least 20 years of employment while eight have been with the company for 15 or more years. In addition, 14 employees have ten or more years with the dealership. With 11 employees at five or more years of service, 42 employees have worked for Earnest McCarty Ford for at least five years. This represents 56 percent of the team, meaning over half of the workforces has stayed on for five years or more.

Ernest McCarty Ford employs a full staff of managers, finance specialists and sales and leasing consultants. Anyone interested in learning more about the Ford dealership is invited to visit the company's website at [www.emccartyford.com](http://www.emccartyford.com). Interested parties can also call the dealership at (205) 663-3831 or stop by the showroom located at 1471 1st Street North in Alabaster, Ala., 35007.

Ernest McCarty Ford has been assisting customers with vehicle purchases since 1983. Conveniently located near Birmingham, Alabama, the car dealership serves both first-time and repeat clientele. Ernest McCarty Ford has both sales and leasing options, as well as a service and parts division to assist customers with automotive repairs and maintenance.
